Saint Aloysius' Minor Seminary (SAMS), Kitiwum
P.O. Box 115, Kumbo
Diocese of Kumbo, Northwest Region, Cameroon

February 12th, 2024

Dear friends in the name of our Lord Jesus Christ,

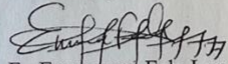

A Happy and Prosperous New Year to all of you. With Saint Paul in Philippians 1:3-6, I say this: "Every time I think of you, I give thanks to my God. Whenever I pray, I make my requests for all of you with joy, for you have been my partners in spreading the Good News about Christ from the time you first heard it until now. And I am certain that God, who began the good work within you, will continue his work until it is finally finished on the day when Christ Jesus returns."

Your support for our mission in the Diocese of Kumbo, Cameroon, has been enormous. You are missionaries of a kind because without coming to Kumbo, you have touched people's lives here with your donations. May the Good Lord replenish your resources and grant you your heart's desires. Because of your support we have been able to achieve a lot of progress. You are helping many students with tuition and fees. Because of you, here at Saint Aloysius' Minor Seminary the students have electricity, clean water, sleep on good beds and can now rent mattresses for just \$2.00 per semester instead of having to carry mattresses from home. And thanks to you the new church in Nkanchi village is already at the roof level and now they are sawing planks and preparing to build the interior roof structure!

I write, therefore, to thank you wholeheartedly for your support. The beneficiaries of your donations are so grateful and offer you their prayers and best wishes all the time. It remains an uphill task for us to finish the new church and continue with other projects for KumboKids and Community. This is due to many obstacles such as bad roads that make transportation difficult, the skyrocketing prices of building materials and the constant roadblocks by the rebels emanating from the ongoing Anglophone socio-political crisis. Despite all this, the enthusiasm to finish the church is high. The cost of roofing the church has been estimated at \$51,179. After the roofing we will begin the plastering, painting, windows, plumbing, electricity, flooring, the altar and the sanctuary, the ceiling, providing the statues, and many others. It is on this note that your continuous financial support to KumboKids and Community is of paramount importance. Thank you immensely for your readiness to continue to support these projects, and may God abundantly bless you.

Gratefully yours,

Fr. Emmanuel Fale Lon (SD)
Rector (SAMS, Kitiwum)

Construction of the new church in Nkanchi is continuing despite the ongoing conflict. Visit KumboKids.org for a full report.
