DONATION SPOTLIGHT:

Periodically Dayton VAMC supports adaptive athletic events for Veterans suffering from spinal cord injuries and other physical disabilities. These events help Veterans become aware of their abilities and potential while promoting a spirit of healthy camaraderie and promoting rehabilitation through therapeutic, sports competition.

Veterans attending these events can benefit from donations in support of travel, lodging and meals. Often the events are outside of the Ohio region and require significant logistical support that can only be funded through donated dollars.

To make a difference and help Veterans with physical disabilities realize their abilities, donations can be made to the Recreation Therapy (8104) and Wheelchair Games Fund (8118).

8106 Recreation Therapy
8106 Social Work Fund
8113 Diversionary Activities
8114 Hospice GPF
8117 Homeless Veteran Program
